CEO Update

As we come down the home stretch at the end of our 2018 Fiscal Year, I am so proud of the work everyone has been doing this year. We have so much to be thankful for:

- The Union County Chamber of Commerce recognized UCO as the 2017 Business of the Year.
- We will end the year as we expected, making a small profit. This will allow us to continue building for our future.
- We've had excellent growth in File 13 business this the year, adding many new customers including Scotts Miracle-Gro.
- We continue our on-time, trouble free shipments to Honda, having over 14 months without a delivery or trouble report.
- We received our 6th Union County Safety Award.
- We implemented our 401(k) and STABLE Account program for all employees.

We have also worked hard to be good community partners by:

- Increasing our United Way contributions by 25 times over last year, and receiving the Campaign Chair Award.
- Partnering with the Red Cross and the Union County Board of Developmental Dis abilities in our first ever Blood Drive, collecting 24 units.
- Partnering with United Way to help park cars for the All Ohio Balloon Fest.
- Partnering with United Way on Community Care Day packaging meals and paint-ing the Second Born Learning Trail.
- Supporting two families through care train with Christmas presents for their chil-dren.
- Supporting the Harold Lewis School with a donation of coats, hats, and gloves this past winter.

Community Care Day

UCO was proud the help support the United Way in another way this past month. On Tuesday, May 15th, some of our full time staff went and helped pack meals and paint the Second Born Learning Trail at Eljer Park.

Close to 44,000 meals were packaged! These will be distributed to the Salvation Army food pantries in Plain City, Milford Center, Marysville & Richwood. Thank you everyone for your ongoing support of the United Way of Union County.
